

4.4 USER INTERFACE DESIGN

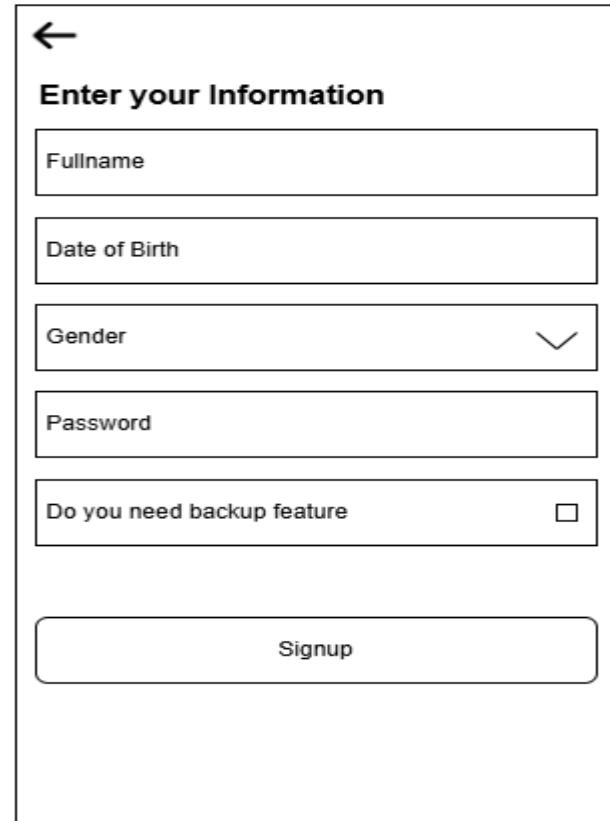

This wireframe shows the login screen for the Fitnora app. It features a large oval logo at the top labeled "FITNORA LOGO". Below the logo are two input fields: "Email" and "Password". A "Login" button is positioned centrally below these fields. To the right of the "Login" button is a "Forgot Password" link. At the bottom of the screen is a "Create New Account" button.

This wireframe shows a screen asking for an email address. It includes a back arrow at the top left, a title "What is your Email?", and a descriptive text: "Enter your email where you can be contacted. Which will be kept confidential." Below this is an "Email" input field and a "Login" button.

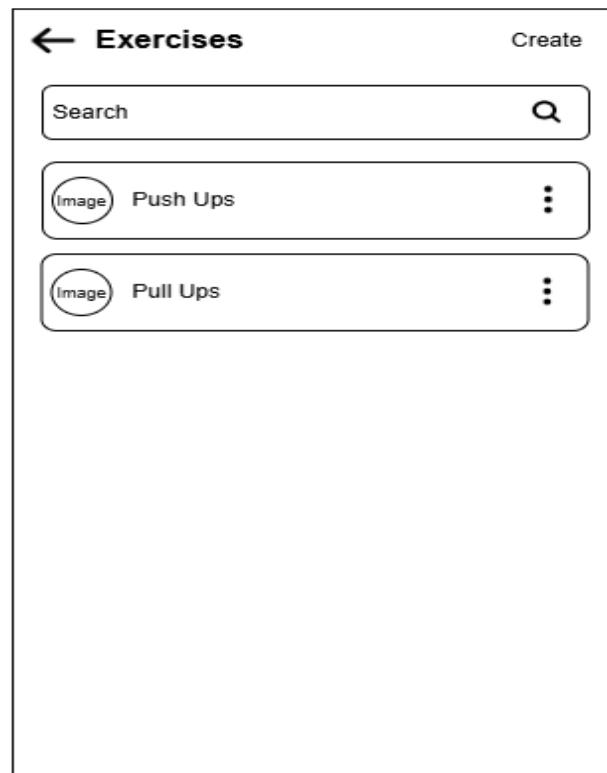

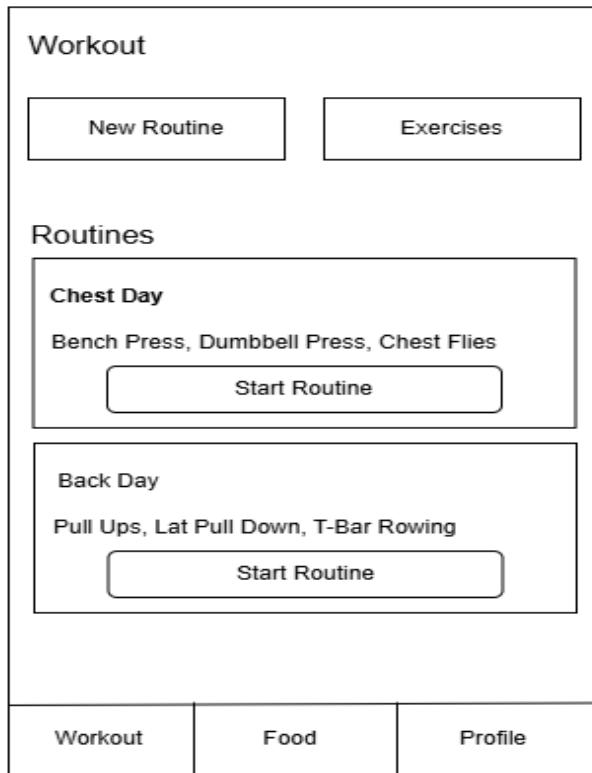

This wireframe shows a screen for entering a confirmation code. It has a back arrow at the top left and a title "Enter the confirmation code". Below the title is a message: "To confirm your email, enter the 6-digit code send to your email." There are six empty boxes for entering digits. Below these boxes is a "Verify" button. At the bottom left is a link "I didn't get the code".

This wireframe shows a screen for entering user information. It includes a back arrow at the top left, a title "Enter your Information", and five input fields: "Fullname", "Date of Birth", "Gender" (with a dropdown arrow icon), "Password", and "Do you need backup feature" (with a checkbox). At the bottom is a "Signup" button.

Fitnora (A Smart Workout and Food Tracking App)

The 'Create Exercise' screen allows users to input exercise details. It includes fields for 'Exercise Name', 'Exercise Equipment' (with a dropdown arrow), 'Exercise Type' (with a dropdown arrow), and an 'Image' section with a placeholder image and a 'Change Image' button. A 'Save' button is located at the top right.

Exercise Type	

The 'Create Routine' screen allows users to add exercises to a routine. It includes a 'Routine Name' field and a 'Save' button at the top right. Below these, there is a table where exercises can be added. The first row shows 'Push Ups' with an equals sign (=). The second row shows 'Pull Ups' with an equals sign (=). An 'Add' button is located at the top right of the table.
